## ***UNION POOL BOOKING & PERFORMANCE GUIDELINES***

Union Pool is a 21+ venue. All band members must be 21+ years of age with proper ID at time of performance. Advance arrangements may be made for underage performers with strict conditions.

Prior to confirmation of a date, a representative from each band or performer must reply to this email stating an understanding and agreement with the guidelines listed below. Failure to contact us forfeits performance. Please inform us if you plan on bringing your own sound person. All stage plots and sound concerns should be emailed to our [booking@union-pool.com](mailto:booking@union-pool.com) or our sound staff at [sound@union-pool.com](mailto:sound@union-pool.com)

### ***GENERAL TIMELINE***

**LOAD-IN:** Upon arrival, please check in with a bartender or security, from there a Sound Engineer will assist. Load-in will happen through the two, large, wooden doors on the Meeker Ave side of Union Pool.

**LOAD-OUT:** All load-out must occur with the presence of the Sound Engineer & or Security, as they will unlock the wooden doors and monitor your gear as you bring it out to the street. If you load-out through the wooden doors *without* the accompaniment of the Sound Engineer or Security an alarm will sound and everyone around will be bummed.
